## The Fastest Warship in the World.

The pennant for extreme speed among gun carrying ships, excluding the nominally armed torpedo boats and their destroyers, must be transferred from our own Minneapolis to the Buenos Aires, a cruiser built on the Tyne for the Argentine Government by Armstrong, Mitchell & Co. The speed of the Buenos Aires has been produced, moreover, by two screws, instead of three, as in the Minneapolis. She is a sheathed steel-built boat, 396 feet between perpendiculars, 424 feet over all, 47 feet 2 inches deep, 47 feet 2 inches broad, and displacing 4,740 tons. Estimating her beam as 1, her length is 8.39. The Minneapolis's figure corresponding to this is 7.08, as she has a beam of 58 feet 2 inches, and a displacement of 7,300 tons. The Buenos Aires carries two 8-inch guns, four 6 inch guns, twelve 4.7-inch guns, and twenty-four smaller guns. Her conning tower is 6 inches thick. Her protecting deck is 3 inches thick on the sides, except that it is 5 inches thick over the machinery. She has five torpedo tubes and her bow is a ram. Her estimated horse power was 17,000. The highest speed attained on her six mile runs was 23.529, and for a six-hour trial the figure was 23.202. The air pressure during the trial never exceeded four-tenths of an inch, and occasionally the stokeholes were open. The boiler pressure was 155 pounds to the square inch, and the mean revolutions of both engines averaged 151 per minute. Only natural draught was used, and the indicated horse power was approximately but 14,600. England again leads in this procession.—N. Y. Sun.

## Funeral of Judge Bickerton.

In spite of rainy weather a large number of people attended the funeral of the late Judge Bickerton yesterday afternoon. The funeral took place from the family residence at Waikiki, Rev. Alex. Mackintosh officiating. When the procession reached the Executive building it was joined by a military escort with the Hawaiian band and a squad of police. From there the procession proceeded to Nuanu Cemetery where the interment took place. Flags on official buildings were displayed at half-mast and Government offices closed at noon. The banks and other prominent business houses closed at 2 o'clock.

## The Alleged Conspirators

The case against W. J. Sheridan and Dr. Frank Underwood will be heard in the District Court on Monday morning. The men who are strangers here are charged with conspiring to overthrow the present Government of Hawaii. They have not been admitted to bail. Mr. A. G. M. Robertson will defend the men.

## Hawaii Shaken

The W. G. Hall brought news yesterday from Hawaii that several severe earthquakes have happened during the week, and that the crater has shown renewed activity. On the 12th inst. in the morning the fire disappeared again. There is reason to believe though that the Volcano will shortly be in full blast again.

The California Feed Company have received a large invoice of goods by the S. G. Wilder. They quote the lowest prices, and the finest qualities in all the lines, and give full weight. Amongst the lot are to be found, hay, oats, rolled barley, bran, corn, cracked corn, oil-cake, etc. Everything is of the freshest, and if you want to get the best and cheapest the California Feed Co. will hear from you.
